

Please Read the Following:

- This mini course is designed to be completed in as little as 8 weeks! This itinerary is designed to give parents, teachers and students a week-by-week guide to completing the course in those 8 weeks. It’s not meant to create false pressure however, so feel free to go through the course faster or slower if you want.
- If you purchased the course and don’t plan to complete it till later, please let our staff know so that we can adjust the due date on the course for you. Simply email us at info@launch-lead.com.
